

# Community Mobilization Activities Selection Tool

## Instructions

Thinking about the community in which your OAH program is working, select activities from the Community Mobilization Activities List (and add your own as well). Identify activities by appropriateness for the sub-group they are intended and align them with an approach column (Mobilization Approach) in which they seem to be a best fit for your community.

<b>Mobilization Approach →</b> <b>Community Sub-Groups ↓</b>	<b>Individual</b> <b>(One-on-One)</b>	<b>Small Group</b> <b>(One-on-Some)</b>	<b>Mass</b> <b>(One-on-Many)</b>
<b>Youth population served by your program</b>			
<b>"Grass Root" Influencers</b> <i>Parents, Elders, &amp; Citizen Leaders, etc.</i>			
<b>Professionals, Providers, &amp; Program Partners</b>			
<b>"Grass Top" Influencers</b> <i>Funders, Business Leaders, &amp; Elected Officials, etc.</i>
